ITEM	CODE	<p><u>SUMMARY</u></p> <p>My partner and I were directed to respond to the scene of a dead body discovered at Kelly Point Park. Uniform officers had already secured the scene and were speaking to possible witnesses. ID was instructed to videotape the entire scene before any cars moved.</p> <p><u>NARRATIVE</u></p> <p>On 052502 at approximately 1500 hours, I was directed by my supervisor, Detective Lynn Courtney, to respond with my partner Ann Friday to the north parking lot of Kelly Point Park. The body of a naked female had been discovered at that location and we were asked to respond in order to hold the scene prior to the arrival of the Homicide Up-Team.</p> <p>Detective Friday and myself arrived at the north parking lot of Kelly Point Park at approximately 1545 hours, after passing through a uniform checkpoint that had been established by uniform officers just past the parking lot south of the scene to record everyone coming into the secondary crime scene. As we arrived at the north parking lot of Kelly Point Park, I observed that the crime scene had been taped off with yellow tape by uniform officers. Sergeant Mitch Copp was the first arriving supervisor and had directed the crime scene to be secured. Uniform officers were already securing the perimeter of the scene and several of them were talking to persons who had parked their vehicles in the park. I was told that uniform officers had also gone to the beach to inquire about those having vehicles in the lot.</p> <p>The ID unit had arrived as well as Deputy Medical Examiner Duane Bigoni. The location where the body had been discovered was on the west end of the parking lot. A white Toyota Corolla with a Washington plate was parked near the place where the body had been discovered. I could see the body of a female located approximately 15 feet off of the pavement of the parking lot just past the wood pilings of the parking lot near some blackberry bushes. I did not enter the primary crime scene.</p>

ITEM	CODE	<p>Seeing that uniform officers were already talking to people with vehicles in the parking lot, I asked Criminalist Jeff Shearer to videotape the crime scene while light was still good and before anyone could leave.</p> <p>Sergeant Chuck Shipley, Detective Kris Wagner, and Detective Steve Ober of the Homicide Detail arrived on-scene. Next to arrive was Detective Mike Larson, the primary investigator for the case.</p> <p>I spoke briefly to Officer Quick, who had been the first police officer to find the body at the scene. He stated that he had been in Pier Park when a female approached him to tell him that there was a body in Kelly Point Park. He said that the woman had been walking her dog in Kelly Point Park when she found the body. Officer Quick responded to Kelly Point Park and immediately found the unclothed body of the white female there. He took a Polaroid photograph of the body and gave it to me. I gave that photograph to Sergeant Chuck Shipley.</p> <p>After Detective Mike Larson arrived and was debriefed, Detective Friday and myself were released from the scene. I observed Detective Rich Austria arrive as we were leaving at approximately 1700 hours.</p>
